BADGER ELITE

CHOREOGRAPHY

Each team will be taught a unique, custom choreographed competitive routine. No athlete has a right or guarantee to any particular role or location in a routine. There are various reasons coaches may move athletes to different spots in a formation or to a different stunt group. Oftentimes this has nothing to do with the athlete's ability, as there are multiple other important items to consider when working on a routine. Aspects such as the flow of choreography or a difference of formations are just some of the many reasons for athletes to be moved to different spots or different stunt groups. Each member of the team is vital to their team's overall success. Your athlete may fly one season, and base the next. Please trust that the coach makes these decisions thoughtfully. Onyx and Royals will participate in a choreography clinic- all day event where we learn formations/transitions/dances in one day.

Attendance is mandatory at choreo clinic.

Date TBD

BADGER ELITE CHOREOGRAPHY

MANDATORY CHOREO CLINIC:

Onyx and Royals will participate in a choreography clinic- an all day event where we learn formations/transitions/stunts/ pyramids/dances in one day.

We hire outside choreographers with extensive knowledge of the WACPC score sheets and systems to ensure we are giving our athletes the best possible routine for their abilities.

Attendance is mandatory at choreo clinic.

ROYALS CHOREO DATE: Thurs- Sat July 25-27th 2024

their spot in choreography will be removed/changed.

BADGER ELITE QUITTING POLICY

If an athlete quits at any point in the season, he or she is **ineligible to** return the following season.

Cheerleading is a TEAM sport that requires commitment. We all rely on each other. Everyone is an important member of the team and if someone leaves, it impacts the entire program.
